

Terms and Conditions

Carefully read and review Community Health Choice's (Community) Online Terms and Conditions before submitting your registration to Community. With the completion of the Web site registration, users agree to abide by these terms and conditions.

Emailing Information from the Web Site

There are certain pages on Community that allow the user to email Community with information, questions or comments. Please note that, while Community has taken precautions to protect the security and confidentiality of the information you transmit, it may pass through public and private networks and could be accessed by individuals without your knowledge. While Community uses technology, such as firewalls and encryption, we cannot ensure the security of e-mail originating from a user's computer system or Internet service provider.

Information Concerning Online Access

Community has created this online access to better serve our Members. While Community has taken reasonable precautions to protect the exchange of information over the Internet, the user recognizes that there are inherent security limitations in communications over the Internet. By accessing account information, the user agrees to accept such risk.

As part of Community's security procedures, Community has the ability to track and monitor Web site usage by each account. Community uses this information to track any unauthorized usage. Such security measures serve as a protection for authorized users, and for Community, and should not cause any disruption of access with normal usage.

Community will make reasonable efforts to update information on our Web site on a daily bases; however, some information may be out-of-date at any given time. If you have any questions concerning the accuracy of the information, please call Member Services at 713.295.2294 or toll-free at 1.888.760.2600.

To limit access of secured pages within Community, you, and all other users with authorization to access your records, will be required to log-in with a user identification code and personal identification number.

Community will not be liable for any direct, indirect, special or other consequential damages arising out of any use of this Web site or any other hyperlinked Web site that Community may provide to the user.
